

Putnam Community

# The Gestures that save:

an emergency  
preparedness series

**Tuesday**  
**05/23/2023**  
**3pm - 4pm**

This program provides an in-depth understanding of opioid addiction, overdose prevention, and the safe administration of naloxone, a medication used to reverse the effects of an opioid overdose.

This program is presented in  
collaboration with The  
Prevention Council of Putnam

(845) 528-3242
