Summer Intramural Camp Program Refund Policy

A credit or refund will be given for any program canceled by the Putnam Valley Parks and Recreation Department. Once a participant has been enrolled in a particular program, refunds will not be considered, as these programs are dependent upon structure and pre-arrangement. Therefore, anyone signing up pays a non-refundable fee. Refunds would only be granted if the participant were to miss a prolonged period of time (more than half the program) due to injury/illness and is no longer able to participate for the remainder of the program. When the participant becomes ill/injured, a doctor's statement must be presented for verification. All refunds given will be prorated from the date of notification to the Recreation Department.

Note: All fees are 100% refundable if requested ten days prior to program start dates. Requested refund checks take at least two to four weeks to process. The Town of Putnam Valley will charge a \$20 service for returned checks. Inquiries regarding refunds should be directed to: Putnam Valley Parks and Recreation Department.
